These tears I've cried  
I've cried 1000 oceans  
And if it seems I'm  
floating  
in the darkness

Well, I can't believe  
that I would keep  
keep you from flying  
So I will cry a thousand more  
if that's what it takes  
to sail you home  
sail you home  
sail you home

I'm aware of what the rules are  
but you know that I will run  
You know that I will follow you  
over Silbury hill  
through the solar field  
you know that I will follow you

And if I find you  
will you still remember  
playing at the trains  
or does this  
little blue ball  
just fade away

Over Silbury hill  
through the solar fields  
you know that I will follow you  
I'm aware of what the rules are  
but you know that I will run  
you know that I will follow you

These tears I've cried  
I've cried 1000 oceans  
And if it seems I'm  
floating  
in the darkness

Well, I can't believe  
that I would keep  
keep you from flying  
So, I will cry  
A thousand more  
if that's what it takes  
to sail you home  
sail you home  
sail you home  
sail you...
