I will light the match this mornin', so I won't be alone  
Watch as she lies silent, for soon night will be gone  
Oh, I will stand arms outstretched, pretend I'm free to  
roam  
Oh, I will make my way, through, one more day in Hell

How much difference does it make  
How much difference does it make, yeah

I will hold the candle till it burns up my arm  
I'll keep takin' punches until their will grows tired  
Oh, I will stare the sun down until my eyes go blind  
I won't change direction, and I won't change my mind

How much difference does it make  
How much difference does it make... how much  
difference...

I'll swallow poison, until I grow immune  
I will scream my lungs out till it fills this room

How much difference  
How much difference does it make
