I pulled a knife on myself today
I don't know what I was thinking
All of these words trapped inside my head
I feel like I've been drinking

And I know you don't want to see
Me this way...

In a sea of a million faces
I feel so alone
I only have you
To hold on to
So please don't go, don't go.

And so I walk through the moonlit streets
But the light evades me
Lost in the darkness of endless nights
I am cold and I'm afraid

And I wish that I could see...
You this way too...

In a sea of a million faces
I feel so alone

I only have you to hold on to
So please don't go, don't go

I would have crawled for ten thousand days
Just to get back to you
With dirty knees and a wind torn face
I don't know what I'm supposed to do

And I don't ever want

To see you this way...
