Silence

In the darkness of your soul
Following your call

Grey skies
Belong to me
Open my eyes

Rain falls
On you
On me

I cannot control
Where I am
supposed to be

Bring the winds
That carry you
Bring them to me

I will hold
This rebel light
This renegade sea

Rain falls
On you
On me

You cannot control
Where you
Are supposed to be

I wait in the dark
I carry these chains
I roam through this night

No I'll not open the door
For you to be free
For you to take flight

Rain falls

On you
On me

we cannot control
Where we
Are supposed to be
