Lying in this bed I hear the clock tick,  
And think of you  
Caught up in circles, confusion  
Is nothing new  
Flashbacks and warm nights  
Almost left behind  
Suitcase of memory,  
Time after time

Sometimes you picture me  
Walking too far ahead  
You're talking to me, and I can't hear  
What you have said  
You say go slow  
I fall behind  
The second hand unwinds

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

After your picture fades darkness has

Turned to grey  
Watching through windows you're wondering  
If I'm ok

You say go slow  
I fall behind  
The drum beats out of time

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you I'll be waiting  
Time after time

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you I will be waiting  
Time after time

Time after time

Time after time

Time after time
