I was lost, i was afraid until you found me and you took
me by the hand

I was bound, i was in chains until you came and set me
free to dance again

Now i'm screamin at the top of my lungs!

you are good i know, i will shout it from the rooftops!
you are good i know, that your love will go forever! you
are good!

I was lost, i was afraid until you found me and you took
me by the hand

I was bound, i was in chains until you came and set me
free to dance again

Now i'm screamin at the top of my lungs!

you are good i know, i will shout it from the rooftops!
you are good i know, that your love will go forever!
you are good i know, i will shout it from the rooftops!
you are good i know, that your love will go forever! you
are good

i was blind but now i see from the rooftops i will sing i
was bound but now i'm free
repeat x3

you are good i know, i will shout it from the rooftops!
you are good i know, that your love will go forever!
you are good i know, i will shout it from the rooftops!
you are good i know, that your love will go forever!
forever, forever and ever and ever YEAH!

I will shout it from the rooftops!
