Rape, spells and grave desecration
On this evil night we condemn you all
Delighted by the pleasures of barbaric mutilation
Performing the hellish rituals

Graveyard necromancy
Chanting the evil sorcery
Graveyard necromancy
Soothsayers of blasphemy

As we chant the magic rites for the upcoming
damnation
We summon the spirits of ancient souls
Mentally descending to the kingdom of Satan
Honoured and seduced by the infernal call

Graveyard necromancy
Hellraisers of impurity
Graveyard necromancy
Praising death and tyranny

Come forth knights of Satan
And join the earthly invasion
A dark dominion has arised
Feel the wrath of the antichrist!

Graveyard necromancy
Chanting the evil sorcery
Graveyard necromancy
Soothsayers of blasphemy

Graveyard necromancy
Occult art of devilry
Graveyard necromancy
Warlocks of morbidity
