(November 5th, 1989. Breakers diary)

It was a sunday night in Taylor town, when my mama asked:  
"Baby how do you get down?"  
I was so scared, didn't know what to say  
What would she do if she knew I was that way, that way  
At first I figured it'd be no surprise  
But she didn't have a clue and I couldn't lie  
So I faced my fears, swallow my pride  
When I confirmed her rumour she almost died

She said:  
"Hey boy, whatcha gonna do,  
whatcha gonna do with the whole world against you?  
Hey boy, whatcha gonna do,  
whatcha gonna do? For you it's tough being a gay boy  
Whatcha gonna do, whatcha gonna do  
when the whole world rejects you?"

My emotions went up in flames  
That was the night that I became:  
a B.I.T.C.H.  
Breaker's In Total Control of Himself  
B.I.T.C.H.  
In total control  
B.I.T.C.H.  
Breaker's In Total Control of Himself  
B.I.T.C.H.  
(It's my world now)

Went to school the next morning with an attitude  
Had a tip on my shoulder, I refused to move  
Wasn't just their world, it was my world too  
And if you thought any diffrent I had no problem  
saying:  
"Fuck you!"  
And I said it with pride, cuz my sexuality don't define  
my life  
Still they try to break me and manage my name  
But I still have my mamas words in my brain

Saying:

"Hey boy, whatcha gonna do,  
whatcha gonna do with the whole world against you?  
Hey boy, whatcha gonna do,  
whatcha gonna do? For you it's tough being a gay boy  
Whatcha gonna do, whatcha gonna do  
when the whole world rejects you?"

Just as sure as I know my name  
That was the night when I became:  
a B.I.T.C.H.  
Breaker's In Total Control of Himself  
B.I.T.C.H.  
In total control  
B.I.T.C.H.  
Breaker's In Total Control of Himself  
B.I.T.C.H.  
(It's my world now)

"In the one sky there are billions of stars  
Each one are all different but they're all beautiful  
Don't you let no one steal your shine  
I was only sixteen when I found mine  
ok, what?"

B.I.T.C.H.
