Another moment lost...  
I could've had the chance to have you  
near me, but once again, I was overwhelmed  
with fear.

So now I sit alone, wishing for bravery.  
I'd do anything to make you understand  
why things are so complicated...

To put it simply,  
I need to breathe you.  
To hold you, to feel you,  
to be with you,  
this one night.

To put it simply,  
I want you to love me,  
to need me, to kiss me,  
this one night.

It's so hard to explain myself.  
When we're face to face,  
my fear of rejection gets in the way  
of my courage.

So I leave here, lost and lonely,  
wondering why I just couldn't say  
what I've been dreaming of.  
After all this time you've been on my mind...

So I've got to put it simply...  
I need to, to hold you, to feel you,  
to be with you this one night.

I've got to put it simply.  
I want you to want me, to love me, to need me,  
to kiss me, this one night..
