Do you believe in love?  
Do you believe in destiny?  
True love may come only once in a thousand lifetimes...  
I too have loved, they took her from me.  
I prayed for her soul, I prayed for her peace

When I close my eyes  
I see her face, it comforts me  
When I close my eyes  
Memories cut like a knife

The blood is the life, and Christ I defy.  
My sworn enemy, birth of a new creed.

Is this my reward for serving God's own war?  
The blood I've spilled for faith fulfilled.  
To damn her, a disgrace, you spit back in my face.  
I served you loyally, and you spew blasphemy.

I avenge with darkness, the blood is the life  
The Order of the Dragon, I feed on human life

There are far worse things awaiting man than death  
Come taste what I have seen  
I'm spreading my disease  
I will feed upon His precious child  
The human race will bleed, they will serve my need.

I avenge with darkness, the blood is the life  
The Order of the Dragon, I feed on human life

I am the Dragon of blood, a relentless prince of pain  
Renouncing God on His throne  
My blood is forever stained

For true love I shall avenge  
I defy the creed that damned her
