Mr drug dealer  
Mr drug dealer  
Mr drug dealer  
The night is '75 there was this chick named Janet  
A pregnant heroin addict who said she didn't plan  
it  
So never thought to stop, or ever kick the habit  
Cos Kirby let her do it and she knew he always had it  
Down in his cellar with Trevor another addict  
Who was at it like an asthmatic trapped in an attic  
Sucking on an asthma pump  
Though you never know by looking at him that's the  
cunt  
Who by 1983 was in the national front  
Yeah he had a shaved head but still got mashed on  
drugs  
So Kirby didn't mind him hanging round that much  
Especially anytime Janet came round to fuck  
Get her fix while her kid Chris waited around  
A nine year old boy he was healthy and loud  
Cos even when she was pregnant she was smoking tha  
brown  
And she was lucky that he wasn't born disabled  
somehow  
Still when you're too loud you get a clap round your  
head  
Kirby aint his dad but he does what he says  
Stays downstairs in the cellar with Trev  
While Kirby's upstairs giving Janet her meds  
At least that's what they tell Chris still he aint that  
dumb  
He knows Kirby's upstairs banging his mum  
While he's left in the basement with some racist  
cunt  
Who's been waiting round for ever for his mother  
fuckin day to come  
Mr drug dealer  
What an environment to raise a kid  
Round crack dealers, heisters and racist pricks  
Trevor looted the place as well as maiming Chris  
Left a permanent scar on his face the same as his  
With a razor blade yeah takes the piss

Whether you prejudice or not man heâ€™s just a kid  
But thatâ€™s what Trevor done no one ever saw him  
after that  
6 years past now Kirbyâ€™s hookin up the crack  
Itâ€™s the new drug everybodyâ€™s going crazy for  
1989 the year Chris started selling draw  
Picking up from Kirby, scar there beneath his eye  
Think after everything thatâ€™s happened he would  
treat him right  
But palmed him off with just another ounce of weed  
Cos a quarter of the bag is a bunch of fuckin seeds  
Hundreds of them and twigs the size of fuckin trees  
But if he ever moaned he get a slap across his cheek  
1990 is the year that really took its toll  
Cos thatâ€™s the year his mother Janet took an  
overdose  
Of heroin and died, god rest her tortured soul  
Now heâ€™s left to fend for himself or by his own  
Its 1995, now that heâ€™s older stress weighs on his  
shoulders  
Heavy as boulders, but he hides it from his olders  
Heâ€™s been living on the far side since he was a  
youth  
But the way he lives now is a far cry  
From the way he, did in the past cos heâ€™s  
Made his way up from sellin ounces to bars of weed  
Out In the streets, where people do their nasty deeds  
He sees â€˜em making money so he wants a larger  
piece  
Heâ€™s a man now, 21 years of age  
Itâ€™s been a couple years since Kirbyâ€™s palms  
were raised  
Lost in anger, ended up across his face cos heâ€™s a  
man now  
And Kirby knows heâ€™s past his stage of gettin beats  
Still that donâ€™t change the way he treats  
Chris when he comes round to his, to get his weed  
Kirby donâ€™t like his attitude heâ€™s cocky now  
believe  
So again he palms him off with more twigs and fuckin  
seeds  
But Chris aint havin none of it he aint no little kid now  
He squares up to Kirby who really donâ€™t look that  
big now  
And really canâ€™t do shit now but pay Chris what he  
owes  
In weed but also pride cos that what Chris takes when  
he goes  
Kirby knows heâ€™s getting old, and thatâ€™s what  
really hurts  
He aint cut out for this work the way he once was upon

a time  
But he don't know no other way to make a living on  
the grind  
Selling drugs is all he's been, his only way of  
getting by  
Then the cops come round, undercover fed come shut  
him down, lock him down  
15 years away from now, the youth will grow big and  
strong and take control  
hav it all, that's the way it goes  
Mr drug dealer  
Mr drug dealer  
Mr drug dealer...
