she said i love you boy  
i love your soul  
she said i love you baby oh oh oh ohh

she said i love you more than words can say  
she said i love you bayayayayby

so i said, what you sayin girl it cant be right  
how can you be in love with me  
we only just met tonight  
so she said.. boy i loved you from the start  
when i first heard love goes down  
something started burning in my heart  
i said stop this crazy talk  
and leave right now and close the door  
she said but i love you boy i love you so  
she said i love you baby oh oh oh oh  
she said i love you more than words can say  
she said i love you bayayayayby (yes you did)

so now up in the courts  
pleading my case in a witness box  
telling the judge and jurÂ'  
the same thing that i said to the cops  
on the day that i got arrested  
im innocent i protested  
she just feels rejected  
had her heart book on mine  
someone shes obsessed with

she likes sign on my music  
she makes out a fan of my music  
so i love them diamonds to lose it  
cos she cant stop and read the man from the music  
and im saying all this from the stand  
but my girl cries tears from the galleries  
got bigger than i ever could have planned  
like that song about the Zuton Valerie  
so the jury dont look like their buying it  
and shes making me nervous  
and im just screw faced like im trying it  
their eyes fixed on me like im murderous

they wanna lock me up  
and throw away the key  
they wanna send me down  
even though i told them she..

she said i love you boy  
i love your soul  
she said i love you baby oh oh oh oh (yes you did)

she said i love you more than words can say  
she said i love you bayayayayby

so i said why the hell you gotta treat me this way  
you don't know what love is  
you wouldn't do this if you did  
oh no no no noo
