Live and direct, can we connect?
Live and direct, can we connect?
Bright lights drive me out of my mind
But I only do it for a good time
Live and direct, can we connect?

Live and direct, can we intersect?
Live and direct, do we intersect?
Bright lights drive me out of my mind
But I only do it for a deadline
Live and direct, do we intersect?

Ooooooh, yeah
Ooooooh, yeah
Ooooooh, yeah

Live and direct, am I a suspect?
Live and direct, am I a suspect?
Policeman drives me out of my mind
But he only does it for a good time
Live and direct, am I a suspect?

Ooooooh, yeah
Live and direct
Ooooooh, yeah
Live and direct
Ooooooh, yeah
Live and direct
Ooooooh, yeah
Live and direct

Ooooooh, yeah
Live and direct
Ooooooh, yeah
Live and direct
Ooooooh, yeah
Live and direct
Ooooooh, yeah
Live and direct
