Panic-oh, tu sabes que me das panic-oh  
Palpita el coraz3n muy rapido,  
Ya no respiro me das panic-oh  
Heart attack, you know you're giving me a heart attack  
You push me one way then you pull me back  
Beats out of sequence sudden heart attack  
Disorder

Panic-oh, tu sabes que me dan panic-oh  
La gente falsa y el supermercado  
Ya no respiro me dan panic-oh  
Heart attack, you know they're giving me a heart attack  
This world's a train we're running off the track  
Beats out of sequence sudden heart attack  
Disorder, overload, heart attack, no control!

I don't know what it means,  
Pero siento that I don't need to eat,  
I've lost several pounds of nerve  
I quiero que me lo digas cantando,  
Su3ltate las trenzas,  
And back-flip like a Jedi,  
Pero como Gloria Trevi,  
Desaparecistes sin trace,  
The phone doesn't wanna marcar,  
Mientras tengo el conraz3n en la mano,  
Y el globo con seis motos

Panic-oh, veo el mundo y me da panic-oh,  
Temor intenso, panic-oh  
No eres fan3tico? panic-oh  
Estoy muy c3moda, panic-oh  
Tomando sopa me da, panic-oh  
Comprando ropa me da, panic-oh  
Cuando manejo siento panic-oh  
Jos3 Canseco me da panic-oh
