

Abandoned, Los "Thais"

Waiting in line trembling looking around
Think I'm ready to sweat it out
"This journey's been done plenty of times"
Says the crowd behind me as I sit down
Everyone is with me ready to ride
I just close my eyes as I hold on tight
Slowly I unravel this huge thrill,
As I look around she's taking her pill,
Nervous, frantic, dizzy, she only hides
My friend's on the ride that the little kids ride.

Someone used to miss her badly, now she's all alone
Round and round she's going nowhere, up and down I
go.

And I don't know exactly what's happening to her, yeah
Maybe a good rollercoaster ride would have helped
her, yeah

That little girl is so afraid to try, that she's always
keeping closed eyes
No one's made her look around till I screamed you've
got get out

On this ride I'm looking at her as she twirls on by,
Here she goes again right past the same old type of
guy

And I don't know exactly what's happening to her, yeah
Maybe a good rollercoaster ride would have helped
her, yeah

And is this one of her little precious depressions, yeah
Not knowing just precisely how to accommodate her,
yeah

Y se da vueltas y vueltas, ella se envuelve, ella se
revuelve

Y se da vueltas y vueltas, ella se envuelve, ella se
revuelve

Y se da vueltas y vueltas, ella se envuelve, ella se
revuelve
