Ya got yo hammer so get to nailin'  
You a snitch anyway so get to tellin'  
Fellas meet the fellons separatin'  
Niggas machetes and watermelon  
Verbally detailin'

Thousand tell these niggas how it's bout to be  
I'm in it and I been in it  
A-K spin it  
Don't make me start this shit nigga then end it  
Dunkin' on these niggas

Yall niggas better play our shit cause the gangstas we  
run this bitch  
Yall niggaz better play our shit cause the soldiers we  
run this bitch  
Yall niggaz better bang our shit cause the gangstas we  
run this bitch  
Yall niggaz better feel our shit cause the soldiers we

Planet Asia:  
True soldier  
Who's colder  
And if he is  
I'll move a boulder  
And make his ass move over  
My niggas get mail in blue folders  
2 toners  
Cash off the haver owners  
Back in the past we used to blast on the older  
But now we gettin' cash for chasin' ass  
And performin' yep young Gotti\* please keep the party  
poppin  
Deep in the party with the melonated Dolly Parton  
Heavy bacardi gets me in your party probably sparkin  
Out cartin' sweatsuits novels is heavy hearted  
To my Northern Cali riders rippin' old schools  
With no shoes we oughta make the streets like pro  
dudes  
It's no rules to this shit  
Smooth with a clip  
Niggas like A' you a fool with it  
Now what it do  
And when we droppin' Cs it's over  
Cause this is for the motherfuckin gs and soldiers

Yall niggas better play our shit cause the gangstas we  
run this bitch  
Yall niggaz better play our shit cause the soldiers we  
run this bitch  
Yall niggaz better bang our shit cause the gangstas we  
run this bitch  
Yall niggaz better feel our shit cause the soldiers we  
run this bitch

Gangstas  
We know and ride  
We dip and slide  
Bounce the streets  
Cock the heat  
What about you  
What you wanna do

Fuck the world  
Fuck you and yo girl  
Gangstafied  
Watch us ride  
What the fuck  
Asia, Kurupt  
We don't give a fuck  
Plus the 5  
2 Step slide (slide... slide... slide...)

It's the young soldier from F.C.  
Holdin' it down  
Westside 559 blowin' it down  
West coast vest and your toast  
Pounds and it's crush  
Throwin' it down  
With section 8  
Bitch that cook  
And now a daze it aint nothin' bizzare  
Fo' real, hoppin' on the block so much that I'm addicted  
to tar  
Yeh Planet A hot shit man like minestrone  
And this is for the motherfuckin' gs and soldiers

Yall niggas better play our shit cause the gangstas we  
run this bitch  
Yall niggaz better play our shit cause the soldiers we  
run this bitch  
Yall niggaz better bang our shit cause the gangstas we  
run this bitch  
Yall niggaz better feel our shit cause the soldiers we  
run this bitch
