There are days I get so lost  
And so caught up inside the crowd  
I try to lift my voice but I keep  
Getting drowned out  
By the noise  
And all the sound  
But somehow

He hears, every word, that I say  
He knows, just how I feel  
And I can pray for answers  
I can turn to Him for peace  
Or just to be heard  
And He hears every word

There are times I lose my way  
And start to wander off alone  
Even when I make mistakes  
I'm never on my own  
And when I need to find  
The way back home

He hears, every word, that I say  
He knows, just how I feel  
And I can pray for answers  
I can turn to Him for peace  
Or just to be heard  
And He hears every word

Not one of us  
Can fall far enough  
To be out of reach  
Of His love  
He hears every word

He hears, every word, that I say  
He knows, just how I feel  
And I can pray for answers  
I can turn to Him for peace  
Or just to be heard  
And He hears every word
