Black metal is the game I play  
'Cause no one show me the right way  
I am a bloody Antichrist, only believe in bad  
Spit at the church, Evil I get

Blasphemer...  
Rites of death, Return to Hell  
I am Satan's child, attack you with Spell

I turn the cross upside down  
And read Satanic Bible with fucking grown

My life begins at midnight twelve  
Masturbate to kill myself

Blasphemer...

I love to drink my own blood  
My sin is my life in a war with god  
I talk to the demons night tonight  
Make love and black masses in a dark shadow light

Blasphemer...
