I don't think you re-al-ised
That there was something in my eyes
I don't think you knew
Just the way I felt about you
I just guess that you don't feel
You at least don't know what is real

And did you know?
(Did, did you know)
That I love
That I love you so
Did you know
(Did, did you know)
That I was acting that way
Cuz I like you more than a friend?

I suppose you can't tell
When you're up and when you fell
I know you don't love
You're hard as a boxing glove
Whenever I'm down
You make me look like a clown

And did you know?
(Did, did you know)
That I love
That I love you so
Did you know
(Did, did you know)
That I was acting that way
Cuz I like you more than a friend?

We all know you're round the bend
We all know my love will never end
We all know why you act that way
We all know I won't turn away
We all know that I care
We all know I'll always be there
(Did you know?)

And did you know?
(Did, did you know)

That I love
That I love you so
Did you know
(Did, did you know)
That I was acting that way
Cuz I like you more than a friend

And did you know?
(Did, did you know)
That I love
That I love you so
Did you know
(Did, did you know)
That I was acting that way
Cuz I like you more than a friend

Did, did you know {Repeat until end }
