Destined to rot  
In the trenches you will die  
Born to suffer  
Laying waste to the ground

Cities burning  
Fire rains near  
It is over  
Devastation is here

Artillery fire  
Breaching the lines  
New found order  
Soon to be set based on greed

Society crumbles  
Crime rates soar  
Words of wisdom  
Matter no more

The victor is marching  
Setting up new rules  
Following the guidelines  
Made for fools

(Made for fools  
Following the guidelines)

Patrolling the streets  
Guarding the order  
Dissatisfaction toward power  
A need to raise a resistance to fight

Ride the fire  
Fight the false occupation  
Raise a standard  
Of will and bravery

Banish the intruders  
Who scorch the land  
Make a statement  
Reinforce your stand

This war will be delt with  
Casualties remain unknown

Death
