Suck your lemonade  
In the sun

Whens its hot and tropical  
You drip just like glue  
That sunlight's burning into you  
You're dripping all over

Whens its hot and tropical  
You drip just like glue  
That sunlight's burning into you  
You're dripping all over

Suck your lemonade  
In the sun  
Watch it run  
Off your tongue  
Suck your lemonade  
Watch it run  
Out of your pink tongue  
Out of your pink tongue  
Watch it run  
Off of your pink tongue

I see you melting up to the stuff on you're stereo  
With you're friends in the heat, in your Alpha Romeo  
You're dripping all over

Suck your lemonade  
In the sun  
Watch it run  
Off your tongue  
Suck your lemonade  
Watch it run  
Out of your pink tongue  
Out of your pink tongue  
Watch it run  
Off of your pink tongue

Creeping to the shame  
Suck your lemonade

Creeping to the shame  
Suck your lemonade

You just

Suck your lemonade  
In the sun  
Watch it run  
Out your tongue  
Suck your lemonade  
Watch it run  
Out of your pink tongue  
Out of your pink tongue  
Watch it run  
Out of your pink tongue

Suck your lemonade  
In the sun  
Watch it run  
Out your tongue  
Suck your lemonade  
Watch it run  
Out of your pink tongue  
Out of your pink tongue  
Watch it run  
Out of your pink tongue

With your friends in the heat, in your Alpha Romeo
