

## Decision "Nothin'"

Visit "[Nothin'](#)" on [MotoLyrics.com](https://MotoLyrics.com)

(Yeah.) I can't tell you what is on my mind.  
It's got me goin' crazy.  
I'm over over (nothin')  
I'm over over (nothin')

I can't tell you why I'm on this grind.  
I wish somebody would save me.  
I'm over over (nothin')  
I'm over over (nothin')

Man. I've had it up to here with this  
Nine to five thing. I've been doing it for years.  
And with the way that it's goin' I can't keep  
My eyes open cause it's got me coming home and  
reaching for a beer.  
(Beer. And it's clear.) That I ain't nowhere.  
Got me battlin' fear and it's weird  
Cause all I'm really livin' is this.  
If livin' is bliss then why am I exhausted as shit?  
And this ain't track n' field but kills and I'm spent.  
And why am I doing hurdles payin' bills and my rent?

I mean I'm fine. I survive. But after all that  
I'm only left with a dime and I try really but  
My struggle is deep. I can't even afford a damn  
Mattress to sleep. And at work there's no advances  
And it's got me feelin' robbed.  
Man, I hate this dead end job.

(Yeah.) I can't tell you what is on my mind.  
It's got me goin' crazy.  
I'm over over (nothin')  
I'm over over (nothin')

I can't tell you why I'm on this grind.  
I wish somebody would save me.  
I'm over over (nothin')  
I'm over over (nothin')

And really all I been findin' is it's almost  
Not even worth a little hope or even tryin'  
With this music but you know I'm only coastin'

Till I'm flyin' cause I won't ever change my  
Motivations like a lion's is.  
(I close my eyes and wish.)  
And hope I'll eventually escape from this.  
But it's hard man and really it hurts when  
All the money I make is my transportation  
To work and I'm talkin' bus routes and yeah  
Really it's rough cause I don't even make enough  
To put gas in my truck.

I mean I'm fine. I survive.  
But after all that I'm only left with a dime.  
They say that time is money and money is time that's  
funny.  
(Man.) I hate this dead end job.

(Yeah.) I can't tell you what is on my mind.  
It's got me goin' crazy.  
I'm over over (nothin')  
I'm over over (nothin')

I can't tell you why I'm on this grind.  
I wish somebody would save me.  
I'm over over (nothin')  
I'm over over (nothin')

So tired of nothin'.  
So tired of nothin'.  
So tired of nothin'.  
So tired of nothin'.  
So tired of nothin'.  
So tired of nothin'.  
So tired of nothin'.  
So tired of nothin'.

(Yeah.) I can't tell you what is on my mind.  
It's got me goin' crazy.  
I'm over over (nothin')  
I'm over over (nothin')

I can't tell you why I'm on this grind.  
I wish somebody would save me.  
I'm over over (nothin')  
I'm over over (nothin')

(Yeah.) I can't tell you what is on my mind.  
It's got me goin' crazy.  
I'm over over (nothin')  
I'm over over (nothin')

I can't tell you why I'm on this grind.

I wish somebody would save me.  
I'm over over (nothin')  
I'm over over (nothin')
