Eresia by Declino

Life is cruel and then you die  
Can't be bothered to try to survive  
Time will stop the hours fly  
I watch my life slipping by  
They call it news it's not to me  
The worlds a mess on my TV  
I cannot speak I cannot feel  
Everything is nothing to me

There's no music on my radio

There's nothing bright to light my day  
No signs to read to show me the way  
I can't escape I'm out of luck  
A bad day I've had enough  
No hope for sleep no hope it seems  
For happiness and comfort dreams  
Another day another wish  
Don't want my life to be like this

There's no music on my radio  
Turn the radio on
