I was lost, i was afraid until you found me and you took  
me by the hand  
I was bound, i was in chains until you came and set me  
free to dance again

Now i'm screamin at the top of my lungs!

you are good i know, i will shout it from the rooftops!  
you are good i know, that your love will go forever! you  
are good!

I was lost, i was afraid until you found me and you took  
me by the hand  
I was bound, i was in chains until you came and set me  
free to dance again

Now i'm screamin at the top of my lungs!

you are good i know, i will shout it from the rooftops!  
you are good i know, that your love will go forever!  
you are good i know, i will shout it from the rooftops!  
you are good i know, that your love will go forever! you  
are good

i was blind but now i see from the rooftops i will sing i  
was bound but now i'm free  
repeat x3

you are good i know, i will shout it from the rooftops!  
you are good i know, that your love will go forever!  
you are good i know, i will shout it from the rooftops!  
you are good i know, that your love will go forever!  
forever, forever and ever and ever YEAH!

I will shout it from the rooftops!
