Do it now  
lick it good  
suck this pussy just like you should  
Right now  
lick it good  
suck this pussy just like you should  
My neck my back lick my pussy and my crack  
My neck my back lick my pussy and my crack  
My neck..

First you gotta put your neck into it  
Don't stop just do it do it  
Then you roll ya tounge from da crack back to da front  
Then ya suck it all till I shake n cum nigga  
Make sure I keep bustin' nuts nigga  
All over your face n stuff  
Slow head show me so much love  
The best head comes from a thug  
The dick good dick big n long  
Slow fuckin' till the crack of dawn  
On the bed makin faces n stuff  
Through the night makin so much love  
Den sleep when the sun comes up

Lick it now  
lick it good  
lick this pussy just like you should  
lick this pussy just like you should

My neck my back lick my pussy and my crack  
My neck my back lick my pussy and my crack

You might roll dubs  
You might have G's  
But fuck dat nigga get on your knee's  
A bitch like me moan's and screams  
Thug miss's kno what I mean  
At the club so fresh so clean  
A hoe and a nigga's watching me  
So hot in the lime on green  
With a unit on my face so mean

I gotta pick which nigga I need  
A suckin thug nigga to satisfy me  
You try me I'll make you see  
Your bitch's aint got shit on me

So lick it now  
lick it good  
lick this pussy just like you should  
Right now  
lick this pussy just like you should  
My neck my back lick my pussy and my crack  
My neck my back lick my pussy and my crack

Remember the time  
When you were here inside my dream  
I wish you'll be mine  
You're understanding what I mean  
Discover and see  
That you're the only one for me  
Together we'll be free  
That's how it's meant to be

[chorus 4 times]  
Have you ever felt so lonely  
You're the one and only  
Did you ever cry  
Why did you say goodbye

Have you ever felt so lonely?

My neck my back lick my pussy and my crack  
My neck my back lick my pussy and my crack  
My neck my back lick my pussy and my crack  
My neck my back lick my pussy and my crack
