All for love our Saviour came
Gave his life and took my place
And now I live for You
And all we do will bring you praise
We'll bring you praise

Woah ohh oh
I'm living for Your glory
Woah ohh oh
Coz You died to set me free
And the love that you gave when You took my place
For all the world to see
You gave everything
You gave everything
And it was all for love

All for love our Saviour came
Gave his life and took my place
And now I live for You
And all we do will bring you praise
We'll bring you praise

Woah ohh oh
I'm living for Your glory
Woah ohh oh
Coz You died to set me free
And the love that You gave when You took my place
For all the world to see
You gave everything
You gave everything
And it was all for love
It was all for love

I was lost and You saved me
I was blind and You made me see
I was broken and You healed me
And now I'm free

I was lost and You saved me
I was blind and You made me see
I was broken and You healed me
And now I'm free

I was lost and You saved me
I was blind and You made me see
I was broken and You healed me
And now I'm free

Woah ohh oh
I'm living for Your glory
Woah ohh oh
Coz You died to set me free
And the love that You gave when You took my place
For all the world to see
You gave everything
You gave everything
And it was all for love

Coz it was all for love
