I've waited all my life to be here face to face
I never knew that I could feel this kind of grace
The way You showed me that Your love has washed me
clean
Could never be erased it lives inside of me

Take me to that secret place
Where I can only see Your face
And nothing else will ever feel this way

You take away my guilty stains
The things I've done that I can't change
It's only by the power of Your name

I stand here in this place
See the glory on Your face
I'm taken by the wonder of Your name

I'm desperate for Your touch
Never needed it so much
'Cos all I want is You

When all the things around me have fallen to the
ground
I'm always thankful for the love in You I've found

Would you take me to that secret place
Where I can only see Your face
And nothing else will ever feel this way

You take away my guilty stains
The things I've done that I can't change
It's only by the power of Your name

I stand here in this place
See the glory on Your face
I'm taken by the wonder of Your name

I'm desperate for Your touch
Never needed it so much
'Cos all I want is You

All I want is You
All I want is You
All I want is You
All I want is You

I stand here in this place
See the glory on Your face
I'm taken by the wonder of Your name

I'm desperate for Your touch
Never needed it so much
'Cos all I want is You

I stand here in this place
See the glory on Your Face
I'm taken by the wonder of Your name

I'm desperate for Your touch
Never needed it so much
'Cos all I want is You

All I want is You
All I want is You
All I want is You
All I want is You
