There's nothing better
Than living for you
Saving my world with you,

There's nothing better
Than praising your name
And lifting my praise
Wanna spend forever
Standing in ur presence

And i wanna show you
What you mean to me god
I give you my whole life
And i gotta tell you
That i am urs forever
Lord i give you my whole life

Jesus i will live for you
In everything i do
I'm holding onto you
Always!
Always and forever..
And when my world is falling down
In you i will be found
I'm staying in ur arms today
Always! always and forever..

There's nothing better
Than living for you
Saving my world with you,
There's nothing better..
And i wanna show you
What you mean to me god
I give you my whole life
And i've gotta tell you
I am urs forever
Lord i give you my whole life

Jesus i will live for you
In everything i do
I'm holding onto you
Always!

Always and forever..
And when my world is falling down
In you i will be found
I'm staying in ur arms today
Always!
Always and forever..

Always and forever

Always! always and forever.. *(repeat 11 times)

Jesus i will live for you
In everything i do
I'm holding onto you
Always!
Always and forever..
And when my world is falling down
In you i will be found
I'm staying in ur arms today
Always!
Always and forever..

Always
Always and forever
Always
Always and forever
Always
A lways and forever
