There is nothing that is better than You  
There is no one who can do what You do  
So come and fill me  
I gotta get more of You  
I gotta get more of You

Every move made, let it set us apart  
Every word said, let it be from Your heart  
Every day Lord, I gotta get more  
I gotta get more of You

Jesus, I love You with all that I am

Give it up to the One who saved You  
Give it up to the One who gave You life, whoa  
Give it up to the One who made You  
Give it up to the Lover of Your Soul,  
Whoa

There is nothing that is better than You  
There is no one who can do what You do  
So come and fill me  
I gotta get more of You  
I gotta get more of You

Jesus, I love You with all that I am

Give it up to the One who saved You  
Give it up to the One who gave You life, whoa  
Give it up to the One who made You  
Give it up to the Lover of Your Soul,  
Whoa

Get up on your feet and praise Him  
Get up on your feet and praise  
Get up on your feet and praise Him  
'Cause everything is all for Him

Get up on your feet and praise Him  
Get up on your feet and praise  
Get up on your feet and praise Him

'Cause everything is all for Him

Give it up to the One who saved You  
Give it up to the One who gave You life, whoa  
Give it up to the One who made You  
Give it up to the Lover of Your Soul,  
Whoa
