Now it's the year of Jubilee
It's time for us to stand
And shout the victory
We cry out
Come and move in power
All across this land
In righteousness we stand

Jesus
King of my salvation let your kingdom come
As we see this nation run

Let the earth sing
All creation praise Him
You alone are great
And You're greatly to be praise
Every nation, every generation
We will lift your name
And live for you always

We cry out
Come and move in power
All across this land
In righteousness we stand

Jesus
King of my salvation let your kingdom come
As we see this nation run

Let the earth sing
All creation praise Him
You alone are great
And You're greatly to be praise
Every nation, every generation
We will lift your name
And live for you always

Jesus, King of my salvation
Let your kingdom come
As we see this nation run (x4)

Let the earth sing
All creation praise Him
You alone are great
And You're greatly to be praise
Every nation, every generation
We will lift your name
And live for you always
