I heard story just the other day,
About man who gave his life away for me
Complicated yet it seems so clear
If I open up my heart, it be so near to me
I believe in you
I believe in you

I heard story just the other day,
About man who gave his life away for me
Complicated yet seems so clear
If I open up my heart, it be so near to me

I believe in you
I believe in you
I believe in you
I believe your word as set me free
With all that I am
I will live my life for you
I believe

I read a story just the other day
About the way you healed blind man, made him say
Here I stand crying out to you
All i need is faith to see a miracle in me

I believe in you
I believe in you
I believe in you
I believe your word as set me free
With all that I am
I will live my life for you

I believe in you
I believe in you
I believe your word as set me free
With all that I am
I will live my life for you

I believe in
I believe in
I believe in you

I believe in
I believe in
I believe in you
