I Want To See Jesus
I wanna see Jesus
I wanna see Jesus
I wanna see Jesus lifted high in this place
I wanna see Jesus
I wanna see Jesus
I wanna see Jesus lifted high in this place
Holy Spirit open my eyes
To see His glory magnified
To understand His awesomeness
And the power of His name
Holy Spirit take control
I give my life to You alone
Surrendering every part of me
Let Your Will be done
I wanna see Jesus
I wanna see Jesus
I wanna see Jesus lifted high in this place
I wanna see Jesus
I wanna see Jesus
I wanna see Jesus lifted high in this place
Holy Spirit open my eyes
To see His glory magnified
To understand His awesomeness
And the power of His name
Holy Spirit take control
I give my life to You alone
Surrendering every part of me
Let Your Will be done
Holy Spirit open my eyes
To see His glory magnified
To understand His awesomeness
And the power of His name
Holy Spirit take control
I give my life to You alone
Surrendering every part of me
Let Your Will be done
Glory, glory
Glory to the Risen One
Glory, glory
Glory to the Risen One
Glory, glory

Glory to the Risen One
Glory, glory
Glory to the Risen One
Holy Spirit open my eyes
To see His glory magnified
To understand His awesomeness
And the power of His name
Holy Spirit take control
I give my life to You alone
Surrendering every part of me
Let Your Will be done
