I abandon, every distraction
My attention is set on You
My devotion, Jesus my portion
My affection is set on You

I was made to worship, I was made for Your embrace
I was made to worship, I was made to bless Your Name

I will bless the Lord at all times
I will bless the Lord at all times
I was made to worship
I was made to bless Your name
I will shout Your praise forever
I will shout Your praise forever
I was made to worship
I was made to bless Your name

Captivated by Your goodness
Overwhelmed by Your majesty
Swept away in Your Holy Presence
Giving over all of me

I was made to worship, I was made for Your embrace
I was made to worship, I was made to bless Your Name

I will bless the Lord at all times
I will bless the Lord at all times
I was made to worship
I was made to bless Your name
I will shout Your praise forever
I will shout Your praise forever
I was made to worship
I was made to bless Your name

My heart and flesh cry out
For You to fill me up
You satisfy me
Fill me with power and truth
Fill me with love from You
You satisfy me
[x2]

I will bless the Lord at all times
I will bless the Lord at all times
I was made to worship
I was made to bless Your name
I will shout Your praise forever
I will shout Your praise forever
I was made to worship
I was made to bless Your name

I was made to worship, I was made for Your embrace
I was made to worship, I was made to bless Your Name
