My Jesus is better
Than anything in this world
He loves me, I love Him
So I give Him everything

He gave His life for me

My Saviour
Is living in me
Redeemer
Jesus He set me free

He's living in my heart
He gave me a new start
I asked Him, He came in
And washed away all my sin

He gave His life for me
He died to set me free

If You can use anything
Won't You use me
Take me and break me and
Mould me and make me
You died for me
So I'm living for You
I'm living for You
I'm living for You

Whoa!
Jesus He set me free
