Nations come
Stand in awe
At the wonder of Your name
The whole earth sings
The oceans roar
To the glory of Your name

Lift our praise to You
From all eternity
Lift our hands to You
Forever shout Your name

Glory to your name
Forever we will shout Your praise
Your majesty
Heaven sings your praise
Wonder of your majesty

Forever shout Your name

Lift our praise to You
From all eternity
Lift our hands to You
Forever shout Your name

Nations come
Stand in awe
At the wonder of Your name
The whole earth sings
The oceans roar
To the glory of Your name

We cry Holy
We cry Holy
We cry Holy
Forever we will sing (x3)
