[VERSE]

Something never seen never heard before.
It's supernatural.
Step into the new see the old no more.
It's supernatural

[PRE-CHORUS]

Take us higher.
Take us deeper.
Take us into everything you have for us.

[CHORUS]

We're going up moving out of the natural.
We're stepping in to the promises of Your Word.
We're going up to the supernatural.
Whoa.

[BRIDGE]

Are you ready (are you ready).
For His power (for His power).
I am ready (I am ready).
It's supernatural (it's supernatural).
