The boys decided
To start up a band
Wanted to get out there
So they kicked out the jams
Vin sang like an angel
Jimmy played his axe
They took the band out
On an interstellar path

And they can't stop now
No they can't stop now
They can't stop now
No they can't stop now

Investigate the uninvestigatable
Relashonships can stumble but surely grow
They hit the big time and
With a deal in their hands
They had a concept
For the new album was planned

And they can't stop now
No they can't stop now
They can't stop now
No they can't stop now

Investigate the uninvestigatable
Relashonships can stumble but surely grow
Vinnie never turned up
2 days or 3 day passed
He's tied up yoo a bedpost
With the psychiatric staff

But they can't stop now
No they can't stop now
They can't stop now
No they can't stop now

Investigate the uninvestigatable
Relashonships can stumble but surely grow

Can't stop now

No they can't stop now
They can't stop now
No they can't stop now
Can't stop now
No they can't stop now
They can't stop now
No they can't stop now
No they can't stop now
No they can't stop now
