I can do Kung fu,
Do the moves I do
Kick-ha!(Hoo-ha!)Kick-ha!(Hoo-ha)
I can play the master,
I can master faster!
Kick-ha!(Hoo-ha!)Kick-ha!(Hoo-ha)
Can you do it faster?
I'll obey you last there
Kick-ha!(Hoo-ha!)

Refrain:

Enter to the land of the rising sun,
Asia is a place where it all begun,
Look at all the files and the medals they've won!
Come and make karate fun!

Chorus:

Everybody kick to the Kung Fu beat,
Who will be the master?
Who will take the lead?
Everybody kick to the Kung Fu beat,
Who will be the master in the street?
II.

I can kick it high and low
You can come and watch the show,
This is what I've learned to do,
You can also do Kung Fu...
If this is where you wanna be with me!

Enter to the land of the rising sun,
Asia is a place where it all begun,
Look at all the files and the medals they've won!
Come and make karate fun!

Everybody kick to the Kung Fu beat,
Who will be the master?
Who will take the lead?
Everybody kneel to the Kung Fu beat,

Who will be the master,

Who will be the master in the street!
