If you're thinking you're forsaken
Then I guess that's up to you
We're so messed up and nothing's changed
And I don't know what I'm going to do
Well I try not to get so mad [so easy]
I know you want to go [why don't you?]

I might be wrong
It could be crucial but
I think we need some time to mend
You might be right
It might be a cruel joke
Something I'd regret 'til the end

Yesterday things were ok
When I got off the phone with you
How'd this happen, I can't say
But I see what you're going through
I try not to get so mad [so easy]
If you got something to say [why don't you?]

I might be right
May seem unusual
Sometimes it's best not to pretend
When I look back
I probably should've known
That I'd regret this 'til the end
'til the end, 'til the end
I might be wrong
It could be crucial but
I think we need some time to mend
When I look back
I probably should've known
That I'd regret this 'til the end
I might be right
May seem unusual
Sometimes, it's best not pretend
'til the end, 'til the end
You might be right
It might be a cruel joke
Something I'd regret 'til the end
'til the end, 'til the end
