Children of the dawn, crooked orphans of deceivers,  
hiding away, decaying away, awaken.  
Frozen of the soul, feeding from the empty barrens, I  
summon you now, arise to the cloud of minions.  
The time has come at last, for the vital ones to suffer,  
sullen with fear, the wrath of us all, is too much.  
This is something more than just a faith I've fallen back  
on, this is but a promise as to what the future holds for  
us.

My misguided triumph a victory.  
It seems as though you really aren't hearing me.  
I wont go out without a motherfucking bang  
Til all that's left of you is a motherfucking stain.

Bury your love in the sands of doom,  
Wash away your irrepressible joy,  
Annihilate hornet avenue,  
As you father a new hell on earth.

The sky holds a window to a dream.  
The waters hold a paradise unseen.  
The journey holds the fortunes key.  
You can go as long as you don't scream.

Bury your love in the sands of doom,  
Wash away your irrepressible joy,  
Annihilate hornet avenue,  
As you father a new hell on earth.

My misguided triumph a victory.  
It seems as though you really aren't hearing me.  
I wont go out without a motherfucking bang  
Til all that's left of you is a motherfucking stain.
