May God answer you in the day of your trouble,  
May his name set you in safety.  
And send them help from the sanctuary,  
Support from the heights of heaven.  
Grant your children their hearts desire,  
Before their eyes, fulfill your promises  
That we will shout and bring praise,  
As he answers your requests.  
I know the Lord protects his chosen,  
I know he answers from on high.  
The strength of his fingers,  
Lifts us up before we fall.  
Save, O God;  
Save, O God!  
Save, O God;  
Save, O God!
