It's been a long time,
I'm free to go
Always could walk, no room for growth
And this is the last piece of
me you'll own

I never thought I'd dig this hole
that I've found myself in,
when, I don't know
how I ever got here, please
let me know
how I ever got here, please
let me know

CH:
It's uncertain beneath these
feet but I'm not stopping
It's uncertain beneath these
feet but I'm still walking
It's uncertain beneath these
feet but we're still walking...

It's been a long time,
I'm free to go
Always could walk, no room for growth
And this is the last piece of
me you'll own

CH

Fighting things you cannot
change and
all the ways it turned out
strange
Exchange the strange for
better things
If you could I know
you would

If you could I know you
would yeah yeah
