(*A. Moorer)
Peteybug Tunes (SESAC)
Fall down on me like a feather*
Floating on a breeze
Faintest whisper softest calling
I am on my knees
Lead me to the ledge and let me
Dangle from a limb
I just hang on hear me praying
Oh no not again
Look for heaven out the window
Abalone sky
Scattered pearly shimmer sending
Angels to my side
Helping hasten hope's return to
Free me from your grasp
I just hang on hear me praying
Oh this too shall pass
Scattered pearly shimmer sending
Angels to my side
Look for heaven out the window
Abalone sky
