Goodbye, so long, fairweather
This time I'm gone forever

I should've seen it comin' from a mile away
I guess I wasn't countin' on a rainy day
As soon as I could swear the sky was falling down
You were out of there before it hit the ground
Get out of town

Goodbye, so long, fairweather
This time I'm gone forever
I'm lighter than a feather
Goodbye, so long, fairweather

I'm beaming like a flower in a hurricane
Could sendin' us a shower wash away my pain?
Clouds are blowin' over, everything is fine
Rainbow on my shoulder in a sweet sunshine
Yeah, and it's all mine

Goodbye, so long, fairweather
This time I'm gone forever
I'm lighter than a feather
Goodbye, so long, fairweather

Goodbye, so long, fairweather
This time I'm gone forever
I'm lighter than a feather
Goodbye, so long, fairweather

Goodbye, so long, fairweather
Be gone
Goodbye, so long, fairweather
