when i wake up
yeah i know im gonna be,
im gonna be the man who wakes up next to you

when i go out
yeah i know im gonna be,
im gonna be the man who goes along with you

and if i get drunk
yes i know im gonna be,
im gonna be the man who gets drunk next to you

and if i haver
yes i know im gonna be,
im gonna be the man who's havoring to you

but i would walk 500 miles
and i would walk 500 more
to be the man
who walked a thousand miles
to fall down at your door

when im workin'
yeah i know im gonna be
im gonna be the man who's workin' hard for you

and when my money
comes before the work i do
ill pass almost every penny onto you

when i come home
yeah i know im gonna be
im gonna be the man who comes back home for you

and if i grow old
yeah i know im gonna be
im gonna be the man whos growing old with you

and i would walk 500 miles
and i would walk 500 more
to be the man

who walked a thousand miles
to fall down at your door

surrender
surrender

when im lonely
yes im know im gonna be
im gonna be the man who's lonely without you

when im dreaming
yes i know im gonna be
im gonna dream about the time when im with you

when i go out,
yes i know im gonna be,
im gonna be the man who goes along with you

when i go out,
yes i know im gonna be,
im gonna be the man who goes home back to you

i'm gonna be the man who comes back home.....to you

and i would walk 500 miles
and i would walk 500 more
to be the man
who walked a thousand miles
to fall down at your door

surrender
surrender
surrender
surrender

cuz i would walk 500 miles
and i would walk 500 more
to be the man
who walked a thousand miles
to fall down at your door
