I'm looking for blue eyes
Has anyone seen him?
Don't you tell me
He gave up on me

I'm looking for blue eyes
I've got to find him
'Cause something tells me
He's looking for me

There was a time
When blue eyes said
He'd love no other
His one and only love
He swore I'd be

There was a time
When his blue eyes saw clearer
Than mine did
Storms and rain, tears and pain
Bring me back his way

Looking for blue eyes
Has anyone seen him?
No, don't you tell me
He gave up on me

I'm looking for blue eyes
I've got to find him
'Cause something tells me
He's looking for me
