Jacob sits outside the door
And runs into the class when i sit down
He takes a seat right next to me
I never thought about it until now

And even if a boy likes me
It's not the end of the world
He may be a really nice guy
But i only like girls
On the computer i got a letter
Jacob says he wants to know me better
A little flattering
But way too strange
That jacob thinks i'm gay

Jacob walks right up to me
Before i get a foot out of the door
He takes a second look at me
I guess he wanted just a little more

And even if a boy likes me
It's not the end of the world
He may be a really nice guy
But i only like girls
On the computer i got a letter
Jacob says he wants to know me better
A little flattering
But way too strange
That jacob thinks i'm gay

Na Na Na Na Na...

And even if a boy likes me
It's not the end of the world
He may be a really nice guy
But i only like girls
On the computer i got a letter
Jacob says he wants to know me better
A little flattering
But way too strange
That jacob thinks i'm gay
