And I apologize  
I should've kept it hidden  
Under wraps and out of sight  
At least in the beginning

But I wanted you to see  
What you meant to me  
Turns out that wasn't smart  
A sleeve is no place for the heart

Wish I could take back  
The secret that I told you  
But it's too late for that  
Now you know the whole truth

Three stupid little words  
You never should have heard  
But I let down my guard  
A sleeve is no place for the heart

Take one last look  
Before it's gone  
It's time I put it back  
Where it belongs

Next time I will know  
Not to let my feelings show  
I'll keep 'em in the dark  
A sleeve is no place for the heart

No place, no place
