(Bob Ritchie/Sheryl Crow)

Livin' my life in a slow hell
Different girl every night at the hotel
I ain't seen the sun shine in 3 damn days
Been fuelin' up on cocaine and whisky
Wish I had a good girl to miss me
Lord I wonder if I'll ever change my ways
I put your picture away
Sat down and cried the day
I can't look at you while I'm lyin' next to her
I put your picture away, sat down and cried today
I can't look at you while I'm lyin' next to her

I called you last night in the hotel
Everyone knows but they wont tell
But their half hearted smiles tell me
Somethin' just ain't right
I been waitin' on you for a long time
Fuelin' up on heartaches and cheap wine
I ain't heard from you in 3 damn nights
I put your picture away
I wonder where you been
I can't look at you while I'm lyin' next to him
I put your picture away
I wonder where you been
I can't look at you while I'm lyin' next to him
I saw you yesterday with an old friend

It was the same ole same "how have you been"
Since you been gone my worlds been dark & grey
You reminded me of brighter days

I hoped you were comin' home to stay
I was head of the church
I was off to drink you away

I thought about you for a long time
Can't seem to get you off my mind
I can't understand why we're living life this way
I found your picture today
I swear I'll change my ways

I just called to say I want you to come back home
I found your picture today
I swear I'll change my ways
I just called to say I want you to come back home
I just called to say, I love you come back home
