You waste your time always looking at me.  
Dont you know your never gonna get the opportunity  
To see the other side of me, yeah yeah yeah yeah.

Now you've caught me, caught me by surprise.  
But ill never tell you what i feel insi-i-i-i-i-ide.  
All I know is that...

(Chorus X 2)

I didnt mean, i didnt mean to love you  
(didnt mean to love you)  
I didnt mean, i didnt mean to love you  
(didnt mean to love you)

You waste your time always looking at me.  
Dont you know your never gonna get the opportunity  
To see the other side of me, yeah yeah yeah yeah.

Now Im sorry but i didnt see before  
All I wanted was to be a friend  
And nothing mor-or-or-or-ore,  
so fuck you.

(Chorus X 2)

You waste your time always looking at me.  
Dont you know your never gonna get the opportunity  
To see the other side of me, yeah yeah yeah yeah.

Now you've caught me, caught me by surprise.  
But ill never tell you what i feel insi-i-i-i-i-ide.  
You fucking bitch.

(Chorus X2)
